- No payments on new Domain Names, they are sold under cost at source

Customisable links

These can be made within your affiliate area when you login for any of our sites, Products or Product Groups, or even the entire Top-Level sites.

There are several ways to create links to either products or product groups.
pid = product ID   gid = product group

Examples :
https://transcom.net/aff.php=<your ID>&pid=28   will point to the Rapid SSL Certificate
https://transcom.net/aff.php=<your ID>&gid=8   will point to all SSL Certificates
